MARC LABADIE, LOCAL FINANCIAL PROFESSIONAL, RECOGNIZED FOR TWO PRESTIGIOUS INDUSTRY ACHIEVEMENTS

**TROY RESIDENT WELCOMED INTO THE
“TOP LEADERS 40 AND UNDER” AND THE
“TOP OF THE TABLE” PROGRAMS**

Posted By: Nick Vecore - February 11, 2016

Marc Labadie, financial professional, was welcomed into the Society of Financial Service Professionals' (SFSP) "Top Leaders 40 and Under" program and the Million Dollar Round Table's (MDRT) "Top of the Table" membership. Labadie was welcomed into the "Top Leaders 40 and Under" program to recognize and reward his business accomplishments and his commitment to advancing his professional credentials, but his production accomplishments, outstanding client service, and ethics are what qualified him for the "Top of the Table" membership status.

Labadie began his financial services career in 2000. His years of hard work and dedication eventually led him to become Partner at CR Myers & Associates based in Southfield, MI. Labadie is one of the youngest professionals in the country to hold both the Chartered Life Underwriter (CLU) and Retirement Income Certified Professional

(RICP) designations.

Inclusion in the "Top Leaders 40 and Under" program is a token of recognition for financial service professionals who have been highly successful in their careers at a young age. Being welcomed into this program labels Labadie as a top achiever in his industry under the age of 40. Labadie is one of the youngest presidents of the SFSP Detroit Chapter, and is the only two-time president in SFSP Detroit Chapter's history.

"Top of the Table" status is the highest MDRT membership level, and places Labadie among the top professionals in the financial services industry. This membership also provides Labadie with the opportunity to further improve his professional skills by sharing best practices with other leading financial professionals at prestigious "Top of the Table" events. Labadie is a 13-year MDRT member and a 7-time "Top of the Table" qualifier.
